BACCHANAL IS BACK!!!

The long awaited and highly anticipated return of carnival is here and the organizers of Bacchanal Jamaica are pleased to invite you back just in time to kick off the celebration season for Jamaica's 60th birthday. According to director Michael Ammar, "it's been a long haul but we are ready and raring to go. With the shortened season, we are fine tuning our plans to offer a series of our most popular events, carefully curated to offer the best party experience that has been so sadly missed over the last two years."

2020 would have marked the 20th anniversary of Bacchanal Jamaica, but the celebration of this milestone had to be postponed due to COVID. The series of events planned for the return will include many party favourites; RFB Saturday - June 25th, Premium - Saturday July 2nd, Jouvert - Friday July 8th, and Carnival Day - Sunday July 10.

"We want to assure our loyal Bacchanal family and those revellers of our allied sections who bought costumes and who have tickets that were put on hold, that we look forward to welcoming them on the road and at the upcoming events. New revellers will also have the opportunity to purchase costumes that were already advertised on the Bacchanal website".

The Bacchanal team jointly expressed, "We are so excited at being able to once again open our doors to our party family. We have new ideas bundled with lots of energy, and with our over 20 years of experience, you have our commitment that this will be the best, most enjoyable carnival that we will execute"

Plans are now in full gear and announcements will be made in the press, on social media and on the official Bacchanal website regarding venues, times and much more. Details will also be provided to revellers with costumes and tickets, as to how to confirm their spot in the road parade and at the parties.
